JOE ROCKET VELOCITY MESH JACKET

Price: \$129.99
Phone: 208.932.0303
Website: JoeRocket.com

The affordable Joe Rocket Velocity Mesh Jacket has a mesh torso to keep air flowing, and there's resistant textile at the shoulders, arms, elbows and ribs. Armor is placed at the shoulders and elbows, while the rib and spine area are padded. The fit is adjustable in six places and it comes with a waterproof liner. Belt loops let you attach riding pants and a reflective stripe increases visibility. It comes in sizes small through 3XL in four different color combos.

MOTOSTANCE'S M-1 FRONT PADDOCK SPORTBIKE STAND

Price: \$79.99
Phone: 972.424.7900
Website: motostance.com

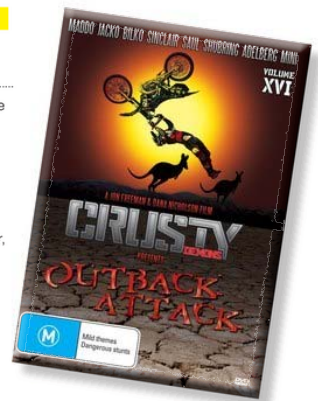

MotoStance designed the M-1 Stand for today's modern sportbike. It is constructed from heavy-duty rolled steel and has reinforced internal steel plugs. Its one-piece construction makes it stable and the M-1 fits most front forks. All the hardware is zinc-plated to prevent corrosion, and rubberized plugs are strategically placed to protect your motorcycle where it comes into contact with the stand. This lightweight stand is available in a sleek powder-coated black finish and it comes with a one-year warranty.

IMPACT VIDEOS CRUSTY 16: OUTBACK ATTACK

Price: \$29.95
Phone: 800.697.9914
Website: impactvideo.com

The new *Crusty 16: Outback Attack* DVD is now available from Impact Videos. After traveling around the world and jumping over, in and through some of the most exotic and coveted locations ever discovered, filmmakers Jon Freeman and Dana Nicholson decided to dedicate their new film to the island of Australia. With all-new footage and interviews from the riders and creators, this full-blown film documents the Crusty Demons Down Under, showcasing talents such as Maddo, Jacko, Bilko, Sinclair, Sauly, Shubring and Balchin.

LAMINAR LIP FOR BMW K 1600 GT/GTL

Price: \$84
Phone: 714.540.8006
Website: laminarlip.com

Laminar now has a LIP specifically designed for the BMW K 1600 GT and the K 1600 GTL bikes. The windscreens are easily installed without the need for drilling or any tools. They are wind-tunnel tested to reduce both wind noise and buffeting for both the rider and passenger. These LIPS are available now, as are 18 others for earlier K models and another 50 for the F, G, and R Series models.
