Directline USA, the exclusive distributor of Cycle Case and MotoStance brands, has announced the addition of MotoCentric to their lineup. Now with two brands of motorcycle luggage serving the market, the company offers a comprehensive soft luggage solution for motorcycle enthusiasts and dealers.

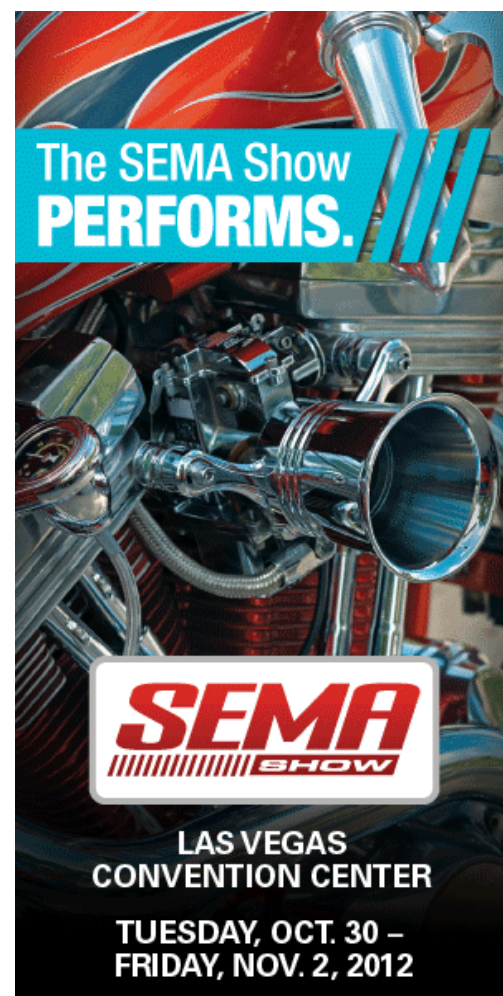

MotoCentric manufactures saddlebags, tailbags, backpacks, tankbags, motorcycle covers, rainwear and a complete line of cruiser-specific luggage. MotoCentric has released four brand-new additions to the line, which are in stock at Directline USA's centrally located warehouse.

Joe Parr, president of Directline USA said, "This is really big news for us and the whole team is through the roof with excitement. MotoCentric is a firmly established brand in the marketplace with a deep product line. The inclusion of this brand into the Directline USA catalog means we now have a diverse and complete range of products for the sportbike, touring and cruiser enthusiast. Product quality is incredible, and R&D for new products will absolutely continue."
